Sirs:

FILING OF AN INFORMATION DISCLOSURE  
STATEMENT UNDER 37 C.F.R. §1.97(b)

The attached list of citations on PTO Form 1449 is being submitted under the provisions of 37 CFR §1.56 and §1.97 in order to comply with the duty of disclosure. Their inclusion herein should not, however, be construed as an admission that any particular cited reference is effective prior art or that it discloses or renders obvious any aspect of the claimed invention. Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

In order to simplify the number of references and reduce duplicative submissions listed in this Information Disclosure Statement, and accompanying PTO 1449 form, Applicants have prepared a summary of corresponding US Patents and/or publications to their respective WIPO Publications. It should be noted that Applicants only list a representative number of the corresponding US Patents and Publications on the PTO 1449 form and do not assert that this is a full and complete listing thereof. As US patents and publications are no longer required to be submitted, copies of these do not accompany this response.
